(Do not use this Schedule as a continuation sheet for Form ADV Part I or any other schedules.)

1. Full name of applicant exactly as stated in Item 1A of Part I of Form ADV: RAMSEY & ASSOCIATES, INC.	IRS Empl. Ident. No.: 91-1706610								
Item of Form (identify) Item 1D	Answer COMBINED PLANNING AND MANAGEMENT SERVICES In the event the client determines to engage R&A, R&A shall charge an annual fee for financial planning and investment management services. R&A's annual fee shall be prorated (for partial months) and paid monthly, in arrears, based upon the market value of the assets under R&A's management on the last business day of the previous month, as follows: <table border="0" style="margin-left: auto; margin-right: auto;"> <thead> <tr> <th style="text-align: center;"><u>ASSETS UNDER MANAGEMENT</u></th> <th style="text-align: center;"><u>ANNUAL FEE</u></th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">\$750,000 to \$1,000,000</td> <td style="text-align: center;">1.00%</td> </tr> <tr> <td style="text-align: center;">\$1,000,001 to \$5,000,000</td> <td style="text-align: center;">0.50%</td> </tr> <tr> <td style="text-align: center;">\$5,000,001 and over</td> <td style="text-align: center;">0.40%</td> </tr> </tbody> </table> <p>However, the calculation and payment dates for those assets that may be designated for management by <i>Independent Manager(s)</i> (see discussion below), shall be determined in accordance with the terms and conditions of the <i>Independent Manager(s)</i> program or agreement.</p> <p>R&A generally requires an account minimum of \$750,000 for investment management services. R&A, in its sole discretion, may waive the account minimum based upon certain criteria (i.e., existing financial planning client, type of asset management services required, account composition, anticipated future earning capacity, anticipated future additional assets, dollar amount of assets to be managed, related accounts, client negotiation, etc.). However, all accounts for which R&A has waived the \$750,000 account minimum shall be subject to a minimum monthly fee of \$625.00.</p> <p>The scope of the ongoing annual financial planning and/or related consultation services to be rendered by R&A is intended to generally be limited to reviewing/evaluating/revising R&A's previous recommendations and/or services relative to a change in the client's financial situation and/or investment objectives. In the unlikely event that a client requires extraordinary financial planning and/or consultation services, R&A may increase the fee during the remainder of the year, the dollar amount of which increase shall be determined by R&A, and set forth in a separate written notice from R&A to the client. R&A's fee schedule (i.e. percentages [%]) is subject to review and change on an annual basis. However, no increase in the fee schedule shall be effective without prior written notification to the client.</p> <p>Unless the client designates otherwise, R&A shall generally recommend that investment accounts be maintained at Charles Schwab & Co., Inc. ("<i>Schwab</i>"). Prior to engaging R&A to provide investment management services, the client will be required to enter into a formal <i>Investment Advisory Agreement</i> with R&A setting forth the terms and conditions under which R&A shall manage the client's assets, and a separate custodial/clearing agreement with <i>Schwab</i>. Both R&A's <i>Investment Advisory Agreement</i> and <i>Schwab's</i> custodial/clearing agreement, may authorize <i>Schwab</i> to debit the account for the amount of R&A's investment management fee and to directly remit that management fee to R&A in compliance with regulatory procedures. The <i>Investment Advisory Agreement</i> between R&A and the client will continue in effect until terminated by either party by written notice pursuant to the terms of the <i>Investment Advisory Agreement</i>. R&A's investment management fee shall be prorated through the date of termination. In addition to R&A's investment management fee, brokerage commissions and/or transaction fees, the client will also incur, relative to all mutual fund purchases, charges imposed at the mutual fund level (e.g. management fees and other fund expenses).</p> <p>Factors that R&A considers in recommending <i>Schwab</i> (or any other broker-dealer/custodian to</p>	<u>ASSETS UNDER MANAGEMENT</u>	<u>ANNUAL FEE</u>	\$750,000 to \$1,000,000	1.00%	\$1,000,001 to \$5,000,000	0.50%	\$5,000,001 and over	0.40%

clients) include historical relationship with R&A, financial strength, reputation, execution capabilities, pricing, research, and service. Although the commissions and/or transaction fees paid by R&A's clients shall comply with R&A's duty to obtain best execution, a client may pay a commission that is higher than another qualified broker-dealer might charge to effect the same transaction where R&A determines, in good faith, that the commission/transaction fee is reasonable in relation to the value of the brokerage and research services received. In seeking best execution, the determinative factor is not the lowest possible cost, but whether the transaction represents the best qualitative execution, taking into consideration the full range of a broker-dealer services, including the value of research provided, execution capability, commission rates, and responsiveness. Accordingly, although R&A will seek competitive rates, it may not necessarily obtain the lowest possible commission rates for client account transactions. The brokerage commissions or transaction fees charged by the designated broker-dealer/custodian are exclusive of, and in addition to, R&A's investment management fee. R&A's best execution responsibility is qualified if securities that it purchases for client accounts are no-load mutual funds that trade at net asset value as determined at the daily market close. (See additional disclosure at Item 13A).

In addition, R&A may also recommend that certain clients authorize the active discretionary management of all or a portion of their assets among certain independent investment manager[s] (the "*Independent Manager[s]*") to be recommended by R&A, based upon the stated investment objectives of the client, in accordance with the terms and conditions of the investment management program sponsored by Envestnet Asset Management ("*Envestnet*") and such other investment management programs as R&A determines may be appropriate for its clients. The terms and conditions (including the amount of fees to be paid to the *Independent Manager[s]*) under which the client shall engage the *Independent Manager[s]* shall be set forth in a separate written agreement between the client and *Envestnet*. R&A shall continue to render advisory services to the client relative to ongoing financial planning and the monitoring and review of the *Independent Manager[s]* performance, for which R&A shall receive an annual advisory fee, to be determined and billed quarterly by *Envestnet*, in arrears, based upon a percentage of the market value of the assets on the last business day of the preceding quarter, as follows:

<u>ASSETS UNDER MANAGEMENT</u>	<u>ANNUAL FEE</u>
Initial \$1 Million	1.00%
\$1,000,001 to \$5,000,000	0.50%
\$5,000,001 and over	0.40%

Factors which R&A shall consider in recommending *Independent Manager[s]* include the client's stated investment objective(s), management style, performance, reputation, financial strength, reporting, pricing, and research. The investment management fees charged by the designated *Independent Manager[s]*, together with the fees charged by the corresponding designated broker-dealer/custodian of the client's assets, are exclusive of, and in addition to, R&A's investment advisory fee set forth above. In addition, to the extent that *Independent Manager[s]* determine to purchase mutual funds for client account(s), the account(s) shall also incur charges imposed directly at the mutual fund level (i.e., advisory fees and other fund expenses).

Except for *Envestnet* accounts, with respect to its retainer arrangements, R&A makes recommendations, based upon the needs of the client, as to the specific securities the account may purchase or sell. Thereafter, if such recommendation is accepted by the client, R&A (unless a specific client directs otherwise) is responsible for arranging or effecting the purchase or sale of all such transactions for client accounts maintained at *Schwab*.

INTERNET INVESTMENT PROGRAM

R&A has developed an internet-based investment program (the "**Program**"). Prior to becoming a **Program** client, the client will be required to complete and/or execute certain documentation, including a **Program** agreement setting forth the contractual terms and conditions of the

Upon review of the ***Risk Tolerance Questionnaire*** and if desired by the client, an initial telephone consultation between R&A and the client, R&A shall allocate the investment assets into a model portfolio (the “**Portfolio**”) as determined by the ***Risk Tolerance Questionnaire***. The client shall also direct R&A to allocate the investment assets within the **Portfolio** in underlying investments that are characterized by R&A as either Active, Socially Responsible or Passive investment style. Thereafter, R&A is authorized, without prior consultation with the client, to rebalance the assets within the **Portfolio** on an annual basis to maintain the designated asset allocation. Additionally, at R&A’s discretion, R&A may also make tactical adjustments to the portfolio at any time. The underlying mutual funds and/or Exchange Traded Funds (ETFs) that comprise a **Portfolio** are subject to change at the exclusive discretion of R&A. However, R&A shall continue to manage the assets within the initial designated **Portfolio** until such time as the client has notified R&A, **in writing (electronic mail will suffice)**, that there has been a change in his/her financial situation and/or investment objectives, **and** has submitted a new ***Risk Tolerance Questionnaire*** for review by R&A. **Unless** the client prior notifies R&A about a change in his/her financial situation and/or investment objectives, the extent of R&A’s interaction with the client shall be limited to up to three initial telephone consultations and, thereafter, a twelve (12) month annual review telephone conference to review **Account** performance and investment objectives. **It remains the client’s exclusive responsibility to notify R&A of any changes in his/her investment objectives and/or financial situation.** R&A shall not be required to verify any information obtained from client and is expressly authorized to rely thereon.

All information and documentation pertaining to the **Program**, including **Portfolio** descriptions, ***Risk Tolerance Questionnaire***, R&A’s written disclosure statement and Privacy Notice, and **Account** reports prepared by R&A shall be exclusively described and included on this internet web site, **and** all other communications (except for the 12 month annual telephonic review discussed above, termination, and notice of death or disability) between R&A and the client shall be made electronically via the web site and/or email. The service to be provided by R&A under this **Agreement** is limited to the management of the **Assets** under the **Program** and **does not** include financial planning, tax planning, insurance planning, estate planning, or any other related or unrelated consulting services.

R&A shall receive an annual advisory fee, to be determined and billed monthly, in arrears, based upon a percentage of the market value of the assets on the last business day of the preceding month, as follows:

<u>Assets Under Management</u>	<u>Annual Fee (Active)</u>	<u>Annual Fee (SRI)</u>	<u>Annual Fee (Passive)</u>

Next \$500k	0.50%	0.50%	0.35%
All Additional	0.40%	0.40%	0.25%

Minimum fee is \$83.33 per month.

Item 7A	<p>Karen Ramsey is a shareholder of National Advisors Holdings, Inc. ("NAH"), a Delaware corporation organized in August of 1998. Ms. Ramsey holds a minority interest, in the aggregate, of the outstanding stock of NAH. NAH has formed a federal trust company known as National Advisors Trust Company ("NATC"). NATC plans to provide trust services to clients of investment advisory firms such as R&A across the United States. Ms. Ramsey spends approximately zero percent of her time on NAH and/or NATC matters.</p> <p>In addition, Ms. Ramsey serves on the advisory council to <i>Envestnet</i>. <i>Envestnet</i> sponsors investment management programs through which investment assets of certain clients may be placed with <i>Independent Manager[s]</i>. These activities are not the principal business of R&A or its principal executive officers. Ms. Ramsey spends approximately less than one percent of her time on <i>Envestnet</i> matters.</p> <p>In addition, Ms. Ramsey is the sole owner and member of Ramsey Seminars LLC, a limited liability company that provides non-investment related seminars to the general public. Ms. Ramsey spends approximately one percent of her time on Ramsey Seminars, LLC matters.</p> <p>In addition, Ms. Ramsey is a fifty percent member of R-S, LLC. R-S, LLC, is a real estate holding entity, whose sole asset is R&A's office space. No clients are solicited to invest in this entity. Ms. Ramsey spends approximately one percent of her time on R-S, LLC, matters.</p>
Item 9E	<p>R&A has implemented an investment policy relative to personal securities transactions. This investment policy is part of R&A's overall Code of Ethics that serves to establish a standard of business conduct for all of R&A's Associated Persons that is based upon fundamental principles of openness, integrity, honesty and trust, a copy of which is available upon request. In addition, in accordance with Section 204A of the Investment Advisers Act of 1940, R&A also maintains and enforces written policies reasonably designed to prevent the misuse of material non-public information by R&A or any person associated with R&A.</p>

	<p>account minimum. In addition, the <i>Independent Manager(s)</i> referenced in Item 1D may impose varying minimum account values upon R&A's clients.</p>
<p>Items 12A and 12B</p>	<p>Please see the previous responses set forth on this Schedule "F" to Item 1D. In addition, R&A's general policies relative to the execution of client securities brokerage transactions are as follows:</p> <p><u>Execution of Brokerage Transactions (when applicable).</u> If requested, R&A will arrange for the execution of securities brokerage transactions for the account through broker-dealers that R&A reasonably believes will provide "best execution." In seeking best execution, the determinative factor is not the lowest possible commission cost but whether the transaction represents the best qualitative execution, taking into consideration the full range of a broker-dealer's services including the value of research provided, execution capability, transaction fees, and responsiveness. Accordingly, although R&A will seek competitive transaction fees, it may not necessarily obtain the lowest possible transaction fees for account transactions.</p> <p>Consistent with obtaining best execution, transactions for a client's account may be effected through broker-dealers in return for research products and/or services which assist R&A in its investment decision making process. Such research generally will be used to service all of R&A's clients, but transaction fees paid by client may be used to pay for research that is not used in managing the client's account. The account may pay to a broker-dealer a transaction fee greater than another qualified broker-dealer might charge to effect the same transaction where R&A determines in good faith that the transaction fee is reasonable in relation to the value of the brokerage and research services received.</p> <p>The client may direct R&A to use a particular broker-dealer (subject to R&A's right to decline and/or terminate the engagement) to execute some or all transactions for the client's account. In such event, the client will negotiate terms and arrangements for the account with that broker-dealer, and R&A will not seek better execution services or prices from other broker-dealers or be able to "batch" the client's transactions for execution through other broker-dealers with orders for other accounts managed by R&A. As a result, client may pay higher transaction fees or other transaction costs or greater spreads, or receive less favorable net prices, on transactions for the account than would otherwise be the case. In the event that transactions for client accounts are effected through a broker-dealer that refers investment management clients to R&A, the potential for conflict of interest may arise.</p> <p><u>Proxy Voting Policy.</u> R&A does not vote client proxies. Therefore, although R&A may provide investment advisory services relative to client investment assets, the client maintains exclusive responsibility for: (1) directing the manner in which proxies solicited by issuers of securities beneficially owned by the client shall be voted, and (2) making all elections relative to any mergers, acquisitions, tender offers, bankruptcy proceedings or other type events pertaining to the client's investment assets. R&A and/or the client shall correspondingly instruct each custodian of the assets to forward to the client copies of all proxies and shareholder communications relating to the client's investment assets. However, with respect to those assets that may be designated for management by <i>Independent Manager(s)</i>, the <i>Independent Manager(s)</i> shall generally retain proxy voting responsibility (<i>see</i> discussion above at Item 1D).</p> <p><u>Class Action Policy.</u> R&A does not pursue class actions on behalf of its clients. R&A shall direct all class action related correspondence to the client.</p>

Item 13A	<p>Although not a material consideration when determining whether to recommend that a client utilize the services of a particular broker-dealer/custodian, R&A may receive from <i>Schwab (or a Mutual Fund Co.)</i> without cost (and/or at a discount) support services and/or products, certain of which assist R&A to better monitor and service client accounts maintained at <i>Schwab</i>. In addition, R&A may receive similar support services from <i>Investnet</i>. (See R&A relationship with <i>Investnet</i> under Item 1D). Included within the support services that may be obtained by R&A may be investment-related research, pricing information and market data, software and other technology that provide access to client account data, compliance and/or practice management-related publications, discounted or gratis consulting services, discounted and/or gratis attendance at conferences, meetings, and other educational and/or social events, and computer hardware and/or software and/or other products used by R&A in furtherance of its investment advisory business operations.</p> <p>As indicated above, certain of the support services and/or products that <i>may</i> be received may assist R&A in managing and administering client accounts. Others do not directly provide such assistance, but rather assist R&A to manage and further develop its business enterprise.</p> <p>R&A's clients do not pay more for investment transactions effected and/or assets maintained at <i>Schwab</i>, <i>Investnet</i> or any Mutual Fund Co., as result of this arrangement. There is no corresponding commitment made by R&A to <i>Schwab</i>, <i>Investnet</i> or any other any entity to invest any specific amount or percentage of client assets in any specific mutual funds, securities or other investment products as result of the above arrangement.</p> <p><u>R&A's President, Karen Ramsey, remains available to address any questions that a client or prospective may have regarding the above arrangement and any corresponding perceived conflict of interest any such arrangement may create.</u></p>
